Parent	Child
I will play with my child	I will play with my parent
I will ask and answer questions	I will answer and ask questions
I will take turns	I will take turns
I will use wait time	I will wait my turn

Use 4 or 5 matches to create a game of memory. Place them face down and take turns flipping 2 cards over to find the match.

Use the cards to make an AB, ABC, or ABB pattern.

Use card to measure a variety of things in your home. "The T.V. is ___ cards long."

Take 10-12 different cards; sort them into 2 or 3 groups. Talk about what name you would give each group.

Flip one card over at a time and practice naming all of the colors on the fish.

Tell a fish story. Choose 2 of your favorite fish. What would they say to each other? Where would they go? What problem do they need to solve together?
